escape from reality – include a couples massage, red wine facial and sweet feet chocolate pedicure perfect for Valentine’s Day celebrations.

The nurturing spa is also launching the most advanced skin care system on the market with a safe alternative to fillers, neurotoxins and invasive procedures. The advanced technology in the new nonsurgical face lift integrates micro-

current, ultrasonic dermabrasion, product infusion and cool light therapy.

Skin Apeel is proud to be exclusive with this holistic methodology. Now, everyone can benefit from a relaxing series customized to re-educate facial muscles, stimulate the lymphatic system and skin, and minimize discoloration, scars and acne. This progressive system will indeed change skin care as we know it. Nurturing your body and soul is essential to relieving stress and achieving balance in life. As spa professionals, we know the value of self care. Our staff is ready to help you soothe your mind, body and spirit.
